“ *To Geraldine Atwater Taylor family: God is a rewarder! No God's blessing isn't based on our performance, it's based on our faith --- our belief in Him and His goodness. In fact, one verse says that He longs to be good to those who are looking for His goodness. Spend time today mediating on His goodness and dwelling on His faithfulness. Read His Word and spend time in the Psalms. Praise and thank Him for all He is doing and what He will do in your life. Let His Word shape your thoughts; and remember, He is a rewarder! Because He is good, He wants to bless you when you seek after Him!*

“ Long before James Corden's car karaoke, Geri had our carpool laughing with her many stories of life and love. I will miss her humor and her straight forward outlook on life. I was blessed to have been called her friend. Joyce Kinnard

“ Miss you so much, talking about the Sunday game or picking with you about love. My memories go long and far. That spanking for throwing my shoe or you telling me how proud of me being a police officer. I always new what Sunday dinner was gonna be. But the look on your face when you saw your home of up bringing, grandkids and lastly or last conversation together. As quietly as you left me in my hospital room, you slipped away to be with Jesus. I love you mom!
