“ *I can not remember Girard ever calling me by my full name. It was always, Nette. Not alot of people call me Nette but whenever I saw Girard, it was, "Whats up Nette". One thing Girard loved to do was cookout and hit the beach. He was always ready! lol He would have his car loaded up an have his Jack Daniels sauce to marinade the meat. He would be the one to leave at the crack of dawn to get a good spot for everyone. He will tuely be missed. S.I.P*
