“ I met Ms. Grace through her granddaughter Jovanna whom I've been best friends with a little over 20 years now. Although I didn't spend alot of time with her anytime we spoke since she lived near me on my walks to visit my own grandmother incidentally , who lives down the street from her she was always kind and warm asking how I was doing and we'd chat a bit. I enjoyed that gracious hospitality. I'll miss that. My heart breaks for Jovanna and her family. I give my prayers and deepest condolences. Rest in The Fathers care.
Ms.Grace.

“ *What could I say about Grace Catherine Bussey? Probably a lot, since I've known her for many years. Her heart was always in the right place. She was a loving and caring woman, who was the matriarch of her family. Through the years, she never cease to amaze me. She was not one to be misunderstood and spoke her mind. Her family was the most important thing to her. She proved there was more to life and living that reached beyond education learned from text books, classrooms or computers. She led a full life and enjoyed her children and grandchildren. Although she is no longer with us, her memory will always be within us. I am so grateful that she was part of my life. Even now I can still her voice.*

*Love Always,
