“ It was an honor to have the chance to spend some quality time with Habieba over the past few months. I am in awe of her strength, resilience, fierce yet gentle and sometimes refreshingly naive spirit, and zest for life...tremendous lessons reminding one not to take any second of time here for granted. I asked her what accomplishment(s) she was most proud of in her life to that point and she mentioned her son/being a mother, and working with children and helping them in her job. She was a long-time, very close friend of my late soulmate Tony (her son's Godfather), and we relied on one another for comfort and support following his sudden passing by sharing stories and laughter...many of which only we would've known. In cleaning his home, I found photos of Habieba from many years ago. She was incredibly striking! I have no idea why she had to endure such a harsh illness but find comfort knowing she is free of pain now and has joined Tony, friends and family who lovingly welcomed her to heaven. My thoughts, prayers and gratitude go out to her family and friends. I will remember her the rest of my life.
