“ *Tribute: When I die, give what's left of me away to our children. And if you need to cry, cry with our children who walks beside you. When you need me put your arms around your friends or anyone who shares your grief. I want to leave you something, something better than words or sounds...look for me in the people I've known and loved. If you cannot give me away, at least, let me live in your eyes. Love doesn't die, people do, so when all is left of me, love is what I take with me and leave to you.*
