“ *I was heartbroken to hear about the passing of Mr. Knight, Please accept my deepest condolences during this incredibly difficult time. I had the privilege of working with him and the students enjoyed his presence. I can truly say they brought kindness, dedication, and warmth into the workplace every single day. He made a lasting impact on so many lives, and he was a genuinely caring person. Please know that your family is in my thoughts and prayers. Mr. Knight, will be deeply missed, and I'm so grateful to have known and I appreciated the laughs. With heartfelt sympathy*

“ My condolences to the Knight family. I love you guys and always
have. Harryo was such an amazing kind hearted person but he was
so much more than that, he was my friend. We've been friends
since grade school. He was ALWAYS the life of the party and I
enjoyed our dancing sessions where he would out dance me every
single time😂. I miss my friend, I love the Knight family and again,
my deepest and sincerest condolences.
