*Ms. Hattie, what I called her, even though she was a extended grand mother to me, was always sweet and kind. I appreciated all of her knowledge and wisdom, as she would share of her nursing career. She was a very dedicated RN. And even her late days, she still spoke of working and how she needed to get back to it, even though she had retired many years ago. She will truly be missed, but more importantly she was truly LOVED. My heart goes out to the family.*
