“ *To the entire Bynum family. I send my deepest condolences to all. When Hattie was first introduced to your Aunt Hattie, who was my grandmother. She was so tickled pink and happy that Tommy had found a beautiful lady named Hattie. She told Tommy that Hattie was going to be a beautiful wife because she had the same name as her. When Hattie had won the lottery gracious from her heart, she gave the State of Maryland and the Internal Revenue part of her victorious win. laughing as I type this. She also hosted many family gatherings every year with what she had collected from her win. She cooked most of the food she had prepared and wow those yummy good old colored greens with a pinch of sugar added to them, fried turkey, seafood, cakes and so much more. Me, Tommy, Iris, Kenney and other folks singing our old family songs while we were sipping on favorite beverages. So much family love in every area in her and Tommy backyard. Truly a golden lady she was. Rest in peace my beautiful golden lady. Treasured memories of you forever. I love you my angel in Heaven. Your loving cousin Janice Johnson*

“ Thanks for being part of the village that helped raise me. I was lucky to have you in my life as a second Mom. I will miss our long talks and laughs but glad you are not suffering anymore. Now you, Trina and Verne keep watching over us until we meet again. Love you. Sherry
