“ *Salutations. I'm an alumni of charles herbert flowers high school class of 2008 where the honorable Dr. Helena N. Jones was my principle all four years I went to charles herbert flowers high school. I want to first extend my condolences to Dr. Jones family. Dr. Jones was such an inspiration to me and I always admired her ability to encourage and lift everyone up. As for myself, Dr. Jones left such a major impact on my life and even though we had many talks the greatest statement Dr. Jones said to me was: "Your bound for greatness, and to never give up because failure is not an option." Dr. Jones it was such an honor being able to learn so much from you and you will be forever missed. I salute Dr. Jones success and Dr. Jones I also salute your ability to leave such a positive impact on every life Dr. Jones encountered and for that I must say Thank you Dr. Jones....Peace and Blessings to your family and your forever in my deepest prayers....*

Donte' Kelly.

“ Mrs. Jones was Principal at Northern High School for two years. She was a loving and caring person and it showed with the way she interact with the students and staff.

I was Mrs. Jones administrative secretary and working with her was a joy. The many memories, the friendship and love for the beautiful person that she was will stay in my heart.

My deepest condolences to you Kyva and the Jones family.

“ Mrs. Jones was the high school principal for both of my daughters at Charles Herbert Flowers. After my older daughter (Endya) graduated, there were rumors of Mrs. Jones retiring. I was so impressed with the way she performed as the principal during Endya's 4-years that I scheduled a meeting with Mrs. Jones and pleaded to her not to retire until my younger daughter (Maya) graduated, which was 3 years later. She told me that she could not make any promises but in fact, she did stay until Maya graduated. I love how she LOVED the students with a no nonsense and no foolishness approach.

My condolences to the family and may you find peace in knowing how many lives she touched. Rest in peace my dear Soror.

“ My deepest sympathies to the Jones family. Mrs. Jones left an enormous mark and life lasting impact in the lives of the boys and girls who were blessed to be educated, nurtured and pushed to unimaginable but attainable heights in their academic and personal development. Take your well deserved rest and receive your crown of many jewels. Thank you for your love of the children and your God given gifts that you unselfishly shared with the children at Charles H. Flowers. You will be missed. I loved the way you walked your halls at any given time of the day checking on students and teachers.

“ *My deepest condolences to the Jones family. Mrs. Jones was a very integral part of our neighborhood, block in particular. Most of the children on our block went to Charles Herbert Flowers High School during her time as the First Principal of the Mecca of Excellence.*

May God give you peace and comfort during this time of bereavement. Our prayers are with and for you.
