“ *Henry was a very kind person. When I met him he said right away that I felt like family. He always spoke highly of his beautiful wife. I was excited to meet and befriend Sheila who I know he adored. I know that he will be missed by his family and beautiful mother. Passing away is not saying goodbye it is saying "I made It Over".*

“ *My Brother- in- love Henry, will truly be missed. He has been a part of our family for over 38 years. He has always made sure my Sister and their children have everything they needed especially much more than enough food. A very hospitable man, never shutting his door to anyone. An awesome Uncle to my children, RIP My Brother.*

Henry Willie; ironically names from our family tree. Uncle Henry was his great grandmothers (Mary Ross) brother; Henry had a son he named Willie David. Billy was a brave Marine that served his country in Vietnam. He was a dedicated family man and son. He and I had conversations and I felt good communicating with my cousin. The family loved him but God loved him more.
