“ *Herb was my Stepfather. He was accepting and loving as if I were his own child. He had a huge impact in my life. I have wonderful family memories with him and the Foley family. Christmas's were so special. We'd go to the Hamburger Hamlet on Christmas Eve for dinner. And he and we would sing Christmas music all together on the drive. Jonny Mathis and Nat King Cole and Ray Coniff Singers. When he came into our family, he took me to the horse races, just me and him. We had a blast. I loved him almost instantly. We could communicate well and that was hard for me. He holds a very special place in my heart.*
