“ *I've known her daughter Vallorie for many years and her Mom, Ms. Inez was like a mom to me. She was so proud of her children, she would talk about many exciting things she did in her past and I just loved the wisdom she would also share with me. She was very classy and Vallorie did make sure her Mom still looked classy when she couldn't do it for herself anymore. May she rest in peace! She will truly be missed, but she'll always be in my ❤️*

“ My dearest Beautiful Mother: You lived your life with a soulful Godly spirit and through that spirit you overcame your life challenges with strength, posterity, determination and dignity. Throughout the years you taught me to be true to self, how to utilize and develop my humanitarian spirit, project strength and endurance in the darkest hours -- definitely you were always there for me. I'm one tenth of the perfect, beautifully created offsprings of 10 created by you and Dad who have made you proud through their own personal achievements who without question were your cherished life's achievements as you loved, protected and directed towards life's betterment. Without question overtime Mom you were my ride, fly, sign and savior never to die! May you rest peacefully in Heaven. I LOVE YOU💕💕
