“ *Inga was a neighbor on Peabody Street in Riggs Park. We are both native Washingtonians. She had a great laugh! We would catch up on the latest in each other's lives every time we saw each other. I am blessed that she has been a part of my life journey. May God give Brian and the family comfort, healing and peace during this difficult time. Lynnette Daniel-Barnhardt*

“ *Inga was my roommate in college at FAMU. We met as teenagers and kept in touch from time to time over the years. Inga was light and laughter. Truly a loving spirit. My heart has joy to have known her. Sending peace of heart and healing to her family. Natalye O.*
