“ Momma, you taught us how to love, and serve the Lord and be a blessing to others!!! You have been gone for two years but it just seems like yesterday that you are no longer with us but I know you are with your Heavenly Father, where you have longed to be, no more pain, and suffering!!! Thank you, Lord for blessing me with a praying Momma!!! Your legacy will live on in your children, grandchildren, great - grandson, nieces, and nephews!!! I will see you again Momma!!! Love always, Your Baby Daughter

“ *Mama Irene, your time here seemed brief as the time flew by. Your eyes so bright but the angel of God was nigh. He took your pain and traded it for health. He took your earthen body and turned it to heaven's wealth. Our loss is heaven's gain. God's reception, our tears of pain. We knew this time would come but didn't think it would be. But we are here and you are free. We weep for a short time, for we know this too will end, we cannot wait for the time when we all shall meet again! Our loss is heaven's glory. His salvation is our and her story. Mama Irene, I know you are safe in His arms. I rest in the knowledge, you have no more harm.*
