“ *I remember when Chief Fulwood's family resided in the Capitol Hill community and I became a member of MPDC in the late 1960s was assigned at the Fifth precinct. He always had words of wisdom as well as pertinent information for you, if you sought his advice in a matter. He found the time to listen and provide a reasonable and rational explanation in reply to that event. I had a great deal of respect and appreciation for the individual Isaac Fulwood and his positions he stood by as he rose through the ranks to be Chief Fulwood.*

It was an honor to have served with him and I wish to express our condolences to the Fulwood Family and let you know that you will be in our prayers, and to know that the LORD will give you comfort during this time.

and soon it will be better!*
