“ I am so sorry for your loss, I got to meet Jackie and her loving sister and dad at the nursing home. My name is Ronnie I loved teasing Jackie she would always look at her sister like you better stop her. I left the nursing home for a while, but when I came back it was so nice to see Jackie. I told her I know you missed me and I laughed, I finally got a smile from her and I loved it. I will miss her so much, and to her dad and sister I'm praying for you and you guys were so great to her, if you need anything please I'm there for you. Take care. Ronnie Francis .
