“ I’m going to miss you so much My GGGFF. You were always my little sister more than a friend. I’m going to miss those day to day phone calls or every other day. I’m going to miss our talks about everything, especially those SOAPS (General Hospital) and laughs we shared, when you would say “Don’t make me laugh, Don’t make me laugh, you’re going to make me cough”! And I would say “OK”! I know you’re not suffering anymore with your health and I know you’re in a better place now! I also believe that in time, my heart will heal from this and we will see each other again on the other side. So for now, you rest peacefully in heavenly paradise. Love You “ Verrita”
