“ Remembering watching you and nae, while your mom went to work. I use to let y'all do whatever y'all wanted, and cleaned up before she got home lol. I'm going to miss your goofy smile and your blunt personality. You are beautiful... I'm hurting daily thinking about the pain you was in... you are loved by so many people little cousin..... I wish you knew how much you were loved.... Slay In Peace Beautiful Jada... I still hear your voice when you was 3 saying "I want to do home" lol when your mom, dropped you off to me..... You are now an Angel❤️❤️❤️ You got your wings baby girl... Thanks for showing me how to twerk like the new age girls.... You are special and will always be special..... I love you ❤️❤️❤️❤️

“ Thinking of you & family during this time of sadness. It's not the year's we spend on earth, but the love we share while here. Praying that time's passing will bring healing & peace to soften your sadness. Love, Aunt Cookie
