“ *Mack it's hard to believe you left us six (6) years this past February 2021, I miss your voice, smile and you dropping by our house leaving me a note saying you had stop by when were not a home. I want to wish you a happy 73rd BIRTHDAY CUZ!! now and on Saturday, April 10, 2021, I think of you often and have visited you grave several times. You will always be in my thoughts and heart forever, love and miss you so much!*

“ *Cousin Mack I'm definitely going to miss your smiling face...you were so nice and easy going. One of the closest memory I have of you is you visiting me in the hospital after my surgery.. That was a hard time for me but you made the time to see me and bring me a teddy bear that really lifted my spirits. I really wished I could have seen you one last time but I know you are resting in peace.*
