“ James was a quiet storm. Loved people & protected his family. He was a dear childhood friend. He will be greatly missed. I will keep his family in my prayers. I hope it will give comfort in knowing the family now has another beautiful Angel watching over them. From Kay (Lyles) Davis

“ My sincere sympathy to the Parker family. Our Heavenly Father promises to soon end all pain and death and to restore our loved ones to us. (Rev.21:4: John5:28). What a grand prospect lies ahead of us! The "God of all comfort" invites you to "throw all your anxiety on Him because He cares for you. (2Cor. 1:3,4; 1Pet. 5:7 NWT). May peace from God sustain you during this sad time.

“ James...I still can't believe it, this doesn't seem real. I keep waiting to get a call from you, a text, something...but I have to face the fact that God called you home because He needed you in heaven. I didn't think the last time we spoke would be "the last time."

Your passing has left a huge hole in my heart...you are and will always be my "boo thing" as you use to tell me. I truly am thankful God placed you in my life in 2004 because not only did I gain an amazing friend...you shared your Bria and Paige with me and I love them as my own...and that will never stop. You made me promise to always be in their life and I always told you "I'm not going anywhere" so you never have to worry about that.

Your wings were ready but my heart was not. I know you're in heaven watching over everyone and while we miss you here on earth you will forever be in our hearts.

I love you James...rest easy and we will see each other again.
