

James Odell Woodson Jr.

November 15, 1965 - December 23, 2019

James O. Woodson, born on November 15, 1965 and departed this earth on December 23, 2019. Mr. Woodson was affectionally known to his family and friends as "Woody".

Woody was a loving and devoted husband to his wife of 28 years, Sandy. They were inseparable. Whenever you saw one, you saw the other. Woody loved playing cards and keeping up with politics and current events. He was organized and intelligent. He always enjoyed an evening in with his wife listening to music, especially the "oldies". Unlike most people these days, Woody loved his job at the Architect of the Capitol. He truly enjoyed his work and his coworkers. He also liked to spoil his numerous nieces and nephews. Woody also loved his family dog Roscoe, who sadly passed away on December 22, 2019, a day before our beloved Woody.

“ *Woody was always good to all of my family. He was smart, kind and funny. I remember how much he loved my father before he passed and he would always play cards with him and they would both talk so much trash.. lol I know how much you loved my sister Sandy, thank you for taking such great care of her. Woody, also thank you for all that you did for me and my kids. You were and remain, a wonderful uncle and brother-in-law. Rest in peace, love, Mayize*

“ Dearest Woodson family, very sorry to hear of Woody's passing. He was a great co-worker at the AOC for many years while I worked at the Senate. Praying that you find peace through your loving memories of Woody during this very difficult time.

“ **POSTAL MEMORIES OF WOODY**
Sandy, your loss is felt by so many in our Postal family. That personality of his lit up every room and he always maintained that pleasant demeanor. May your family be at peace in knowing that he was one of the Best. It was a pleasure knowing Woody as he was wonderful indeed.
