“ *I only had the privileged of sharing a couple of classes with Jan at Strayer. I am without words for her passing. She was a wonderful lady, who quietly sat in class until you got to know her. She was a hoot. I enjoyed and will remember our laughs. Rest in peace sweet lady. My heart goes out to Parks family. She's with God now! Sincerely, Betsy and the Strayer students.*

“ It truly is with a broken heart that I write these words. Jan worked for me and my company for several years. She was an exemplary member of the team and the family. She always did whatever was necessary to get the job done. I recall her last days as an employee with us and how she rallied the team. She took action that was not required but she certainly felt it necessary, and that’s what made her exemplary.

I enjoyed many conversations with Jan and I was so very proud of the work she was putting in to complete her degree. Jan’s stories filled the room with laughter. She was always there for the team. Oh, and how could I forget Jan’s stories about Maryland Live and Bingo! I enjoyed talking with her about these things.

Jan will absolutely be missed.

My prayers are with the Parks family. May you rest in knowing Jan is in paradise!

“ *I have had pleasure of knowing Jan for many years and she has truly become more to me than my previous Program Manager. I have learned so much from Jan over the years and words cannot express how saddened I am over her passing. She would always tell you like it was and that's what I loved most about her. She always wore a smile, always shared knowledge and was always willing to help in any way. Most importantly Jan loved her Mom. I have never personally met Mrs. Parks but it seems like I have because of all the conversations me and Jan would have. My deepest condolences go out to Mrs. Parks and the rest of the Parks family.*

“ To Jan's Family,

Jan worked with me for many years. She always had a smile on her face, and no task was too big. She always dove in headfirst with any project. I always enjoyed our talks about Maryland Live and bingo games. This has been a huge loss for her "work family". She will truly be missed. My heart and sympathies go out to everyone who's lives were touched by Jan. God Bless you all. I will carry her smile with me wherever I go.
