“ I remember my brother sharing his love for a song that just totally drove me nuts lol. He played Maxwell's "Pretty Wings" from Maryland to Brooklyn N.Y. for over four hour straight because of how much he loved the song. It drove me insane but what a memory!!

“ Uncle Jason, you were a loving father to Zoe, Mya & Jayde, a friend, brother, son, nephew, cousin, soldier with no limits and very hard worker. I will always remember how much you cared for us when we were younger and how much you have done for our family. I'm heartbroken. May your soul sleep in peace. You are always family until we meet again. You will be near and dear to my heart. Dearest Peters Family, I am genuinely sorry for the sudden loss of this soldier. May God comfort you now and forever more. It is done and it is well.

Blessed are they that mourn for they shall be comforted. Matthew 5:4 KJV
