“ My Dear and beautiful niece Javi, We are so blessed to have many fond memories of our times together as a family. I am truly going to miss our calls, texts, and video chats. We would talk about everything from funny dog memes to politics and food...you lit up my life and the lives of so many others. Your laugh and smile were infectious and we are so going to miss you. You were one of my babies...I can't believe that you are gone. I know that you are with our Savior and all of our departed loved ones and that one day, I will see you again. Until that day, watch over us sweet Angel. My dear Sister Vanessa, Brother in law Wonzie, and nephew Wonzie 3, I am praying for God's peace, strength, and comfort today and all the days to come. Love you always,

Auntie Ann and Uncle Allyn Davis
