“ My heart was saddened when I heard the news of Mama Judd's passing. Our (mommy and I) plans to visit before COVID-19 was delayed and then COVID-19 hit. Mommy (Ms. Ebron) and I talked about Jean often. Time waits for no one. 😞 Thinking back, I could sit and watch you in action in the Missionary Ministry and as the President at one point,, and I could listen to you talk and never get tired. You was amazing 🙌❤️💕🙏 a true Missionary. As a young lady and Junior Missionary I learned so much from you. You was classy, sassy, direct, about business for the Lord, no nonsense, sweet, genuine, sincere, caring, but most of all a woman of God! Even now, I can only "smile" when I think of you. ❤️ My heartfelt sympathy goes out to Hubby, Carolyn and her siblings, her grandkids and all who loved her! 🙏

Much Love

“ *I offer the Judd family my condolences and any assistance I can provide. Geralette and I have known each other since kindergarten. Mrs. Judd, her mom, was many things to me over the years. She was the prettiest class mom, the no nonsense mom, a professional mom, a money managing mom and one of my role models for motherhood. After many years, I ran into her in a Church we were both visiting. She gave me another lesson that day. She testified that she was ready to meet her Lord when he called. Her passing is painful to those left behind, but I pray that her family takes comfort in remembering that she was prepared to answer the call. Beverly Hill*

“ *To The family of Sister Jean Judd:*

I was very sad to hear of the pass of my dear friend Jean. She and I shared many great times together studying and teaching God's Word for a Disciple Class at First Baptist of Highland Park. She was a true Christian woman that loved God, her family and God's people. I had the great pleasure of hosting Sister Jean in my home in North Carolina.

I pray that God will grant all of you the peace that is beyond understanding.

“ Dear Family,
Please know that you Mom was a pillar in our Croom Acres Association Community. I, always, remember the warm welcome with which she greeted my husband, my children, and myself into the community. Her welcome was as if she had always known us. I have been so grateful to her all of these many, many years. She is with the Heavenly Host, now singing the praises of Our Savior and Lord Jesus Christ. Truly, she has joined that Great Cloud of Witnesses in the Heavenly Realm. As you continue to model her faithfulness, you can be assured that you shall see her again in the Presence of Our God. Love and Blessings to you Always ... Rev. I have spoken with my dear mother Mrs Jean Judd and she says she is happy and she does not want to come back. Jesus is more than she had ever dreamed of and he has made her more joyful than she had ever hoped to be. Come home y'all when your time comes just live holy and expect the best
