“ *I think about you daily, as my sadness is replaced by visions of your beautiful smile and thoughts of your humor. Yet still, I'd rather have you here on earth making me smile in person. What an amazing sister-friend you were to me. You filled every room you walked into with laughter, kindness and a phenomenal presence. I miss you tremendously!! Love you infinity. Miss you like crazy.*

“ *There's an Elton John song that we listened to one night. I think about that night every time I hear that song, and it always makes me smile. I'll still smile, but that song will spark more than a smile now... You are Home. You are loved.*

God will provide the strength you need during this time. Your faith will guide you, and peace you will find.

*Love,
Kelli*
