“ *The Woods Family,*
I am sorry for your loss, but happy for heaven's gain. I will always remember the love, compassion, and kindness Mrs. Jean showed to me and my family. I'll never forget how she visited me at my home soon after the birth of our first child bearing baby gifts. I will always remember her love for gardening and the loving care she was always giving to those impatient in the yard. :) I recently rode by our old home the other day because something was calling me to go there. That's when I witnessed the lovely bench dedicated to Mrs. Jean in the cul-de-sac. It brought tears to my eyes. She will never be forgotten.

Love,
Mary, Hossain, and Kamron Ghods
