“ To Jeff's family - I realize you don't know me, but I am a zoning attorney in Prince George's County, and I worked with Jeff over the years. I was shocked and saddened to hear of his passing, and I just wanted you to know that Jeff was one of the nicest and most helpful people that I have worked with over the many years I have practiced in this County. He not only helped me whenever possible, but he always did so with a very positive attitude and a wonderful smile, which was always tremendously appreciated. Please accept my sincere condolences.
