“ I met Jessie many years ago in Washington, DC. We became fast friends and we spent time visiting every year that he attended the Oklahoma Jurisdiction Annual Communication. Later we served in the West together. He kept me calm, made me laugh, and more than anything he shared his knowledge. We would call in-between to just visit or for me to get some life-lesson/advise. Jessie was more than a Brother, he was a friend. I will truly miss his smile, laugh, and wonderful spoken word. His advise and voice of reason will leave a great void. More than that, I will miss him addressing me as "Diane Anderson" . . .He always called me by my full name. His kind demeanor and loving spirit made him a giant.

*Although, my /our hearts are saddened I/we know the Angels welcomed him with open arms and the words "Well Done".
Farewell, my friend - see you the other side- Farewell*

“ Jessie was my friend. I have been doing flyers for all of Jessie’s events for years now. He would always call me by my full name. While I was in the ALA, he would call me and say how proud he was of me. He also did my electrical work. He was a patient and kind person. He attended my 65th birthday party in June 2021. He stated to me “I wouldn’t miss it for the world “. I loved that man. Rest In Peace.

*Me. Simmons,
You will forever have a special place in our hearts. The first time I met you was at the NCO club on Rhein-Main Airbase. My dad introduced me to you, Diane & some others. Loved hanging out with everybody during those wonderful Masonic days between RM/Wiesbaden. The Vaughn's seemed like we've known you all our lives. Always loved to be greeted by your wonderful smile... a small man of a giant! Anybody that knew my mother, knew she adored Jessie Simmons! Your work is done sir, you've done well.. there's no one alive that can make words flow like you. You were so loved, and will truly be missed ❤️*

There was a Man that walked amongst men, short in stature but as a gentle Giant. So now is the temple broken and there shall another attend to. For the Master has called Him to rest. Affectionately dubbed "The Little Guy" we shall neither mourn nor miss Him. For He has forever touched our hearts. This we know as Believers "We shall see Him again!

Love and Peace to all that were blessed to have made His acquaintance.

Jessie was a faithful comrade. One of a kind. He was a gentleman. He was friendly. He was a true servant of God. He loved everyone and everyone loved him. He had a huge heart when it came to helping others. He never hesitated in being of assistance. He was always available when needed. He was fun to be with and was always cheerful.
