“ Mom, I just want you to know I miss you so much. It's been hard for me to come down these stairs, knowing you are not here with me anymore. I know life must continue, but I want you here with me. I know I'm being selfish, but that's what my heart really wants right now. I must keep your energy here in my hart. The family, and I will keep pushing on to do so. Mom, I just wanted you to know that you was not a burden on me, at all. You would always say "you didn't want to be a burden on me". I wanted to take care of you. I did this because I love you, not because I had to. If you was still here with me. I would do this over and over if necessary. You are my rock and I love you to the end, and I will keep on loving you. You are now at your final resting place, and we all will rejoin you there someday.

Mom I Love You with all my 💖 May God keep you and bless you forever. 😭😭😭
