“ *My deepest regrets to the Martin family. Joel was one of a kind, I will miss him deeply always. I worked with him for 17 years and we remained the deepest of friends when I went to work at AAMC. He changed my life in so many ways. Thank you for sharing such a wonderful brother, he. Will always be with me. Thanks Ernest Lewis*

“ *My condolences to the Martin family. I will miss Joel and our kitchen talks about life. Joel had a very big heart. He knew that I loved fresh fruit and produce and managed to provide an abundance of them for me. His sweet spirit will be truly missed. Rest In Peace Joel until we meet again.*

“ Although I have been missing you for a while, the time we spent together will be cherished. When you were in my life there was nothing you would not do for me. All those years that passed, I truly missed you. I know you are with MOM, your best friend. Until we meet again, with open arms, I will try to hold my tears.

To the Martin family. We grew up together as kids. It saddens me when anyone loses life but when hits home it's more personal. If any of the Martin kids read this message (Elrody) give me a call @ 2023695390. Tracy JENKINS Johnson. RIP Joel.
