“ *There are so many men that dont take responsibility for "their" children. It takes a special person to take on the responsibility of another mans child to love and care for them as his own. You didnt just accept me, but you also took on the role as a grandfather to my children. Words cant express the pain I feel, but I am grateful that you are no longer in pain. The selfish side of me wishes you were still here, but as much as we love you God loved you best. You will forever remain in my heart as "my dad!" You are gone but you will never, ever, ever be forgotten!!!! I love you with ALL my heart and miss you deeply ??*

*What a lovely message. I am trying to find my friends Father John David Marshall who was in the military in the 60's in the U.K. it's like trying to find a needle in a haystack. Carol.*
