“ *From the very first day that I met him, John Stancil always put a smile on my face. He was a gentle giant who loved his family inside and out! His love transcended to everyone who came in contact with him. The memories that I have of John will last forever. If I have learned nothing else I stand strong in faith and not just believing but knowing that our spirit never dies. A spirit filled with as much love as John spread is confirmation that love never dies. Thank you John, my friend, for the love and laughs. Rest up young man until we meet again.*
