“ *Man, I don't think I can share every memory...how could I? We've been friends for over 50 years. What I can say, is in half of a century we have never argued or been cross with one another, ever. He is my friend and he will be greatly missed.*

I met John in the lobby of the Commerce department in 1967 and we have been the best of friends since then. We talked on the phone weekly and saw each other often. We loved each other deeply. John has been my rock. I will miss him so much and surely miss our conversations. Until we meet again. MAY you Rest In Peace. A friend forever, Bellita. RIHP.

“ *I Michael Smith, have so many memories, my last memory is about us being together I had just cut his hair and he cuss me out the whole time, and the next day I we went to Auto Zone after he couldn't find what he wanted me to have in his trunk, because of all the stuff he had in there. He pick out what I needed and then wouldn't let me carry it out. He insisted that he carried it, like always he won. Before I left his house I would tell him that I love him give him a hug ,and he would say that he love me.His next words would be drive safe, and when would be the next time that I would be back over. I came back only to not have my buddy, friend,/ father there to greet me. I so blessed to have come to known and love him! To God Be The Glory. REST IN PEACE OLD MAN.*
