“ *Family and Friends.....*

Heartfelt condolences and expressions of sorrow for all who shared such a bond of love for your dear love one.

I am a volunteer minister who reads obituary columns quite often. Sometimes words cannot express fully one's sympathy when learning of a person's death, simply because death affects all mankind and it hurts so much. I hope the family can be comforted knowing that God cares for you and sees your pain. (1 Peter 5:7) May you find comfort and relief during this grievous time, as you cherish the precious memories.

“ *Family and Friends*

“Sharing condolences to the family for the loss of your dear love one.

Cherish the fond memories and may you find strength and gain comfort and peace from our Heavenly Father the God of tender mercies who gives all an inner calm that can free our mind and hearts of unsettling thoughts and ease our emotions... God can supply a profound sense of peace and tranquillity that actually surpasses human understanding.

*Truly He's the One of True Tender Mercy and Comfort
