“ My Love,

I miss you so much and I will cherish every moment I've had with you deep in my heart. You loved me and showered me with unconditional love. I'm so glad we expressed our love to each other daily. I remember kissing you just hours before you passed and reminding you how much I love you! And your response was "I love you more, babe". Those words will be with me forever.

*Love you always,
Your "Sweetie"*

“ Homeboy, I will never forget when you, POOCHIE, LONDON, LIL ROB, ERIKY BERK, DEL, Roy, and myself went out early in the morning to play some "homie ball" and POOCHIE was playing basketball in them tight ass institution boots and his feet was hurting like hell running up and down the court..Man, we laughed his ass out!!!! His Lil' Toes was sore as hell the next couple days in the unit! LMAO...

“ After 32 years Of Love❤️I never thought you would leave me so soon. Now who do I have to share my thoughts and feelings with. You were my peace through many storms friend. Lord knows I'm going to really miss you Earl. I often question Why God has taken some of the most important people in my life so soon. The more I'm angered about you going home,I still have to realize that GOD is in control of all things and I have gained another Angel to watch over me Baby Daisy as you called her and Kes'ja my girls. Earl I will Love You For Eternity. Rest on Tinker.. You fought a good fight💪😊
