“ Josephine Young were like a neighborhood big sister to me, I last seen you a few months ago at Reggie Swanns funeral, I always remember when your family use to take me to Deale Maryland in Calvert County and catch fresh Crabs right out of the backyard. You have Earned your Wings in Heaven. Amen

“ I've known Josephine about as far back as I can remember. We grew up together like family. She was a part of my life that I cherish. My condolences and sincere love family. Jo and I sat together at Steve Turner's funeral and she pointed out people she knew I may not remember and reintroduced me to others. She was at both my parents funerals. She called me about a month ago and we must have talked for over an hour. Take your rest my old friend until we meet again. Johnny Word

“ I always loved Josephine she used to keep me and my sister Christy out of trouble. When we didn't anywhere elseto go. Even though we were much younger she would let us in. I am going to miss her so much.

“ Josephine was such a nice person, since I have known her. We grew up on Ridge road and Adrian street. I am so sorry to hear of her passing. I remember her calling me a little over a month ago and telling the cancer had returned. Blessings to the family and I wish all peace and blessings.
