“ *I am a co-worker of Juana. She was very nice, soft spoken and a wonderful person. I will miss our long talks. She always had words of encouragement. My thoughts and prayers are with the family during this difficult time. RIP Juana.*

“ I worked with “Massey” for many years at OAG. She trained me and also say together in the cubicles talking about everything from A-Z. She loved her family and her grandchildren very much, they were the sparkle in her eye. She would share photos of every new addition to the family and you could see how proud she was. Massey was an amazing person and special in her own right. Her advice often kept me out of trouble and was definitely what I needed at times. She “affectionately” called all of her work daughters “little child” when we would get out mouthy among ourselves. I will truly miss her and all her stories about life, the good and the bad. May God continue to hold your family together during this difficult time.

“ Sorry to hear about Juana. A sweet lady who always shared a smile with others in passing. She is gone from the eyes but not the mind or heart of those who knew her, nor from God's lasting memory.
