“ *Grandma Juanita was an absolute beam of light, bringer of laughter, defender of justice, and all around "rabble rouser" for generations of family, friends, neighbors, parishioners, coworkers, youth choir members, elementary school parents, girl scout troop members, youth choir members, and youth orchestra members. She was always the one to ride to the rescue for anyone in a vulnerable situation, irrespective of whether she was related to them, or not. She taught us all how to be more courageous, altruistic, and hilarious than we ever knew we could be, and we are grateful for the honor and the privilege of having had her on this earth for 86 years to learn from.*

“ My condolences go out to the family on the loss of a very special person to all of you. Death as we know in this world is a part of life that we find hard to accept. As you prepare to lay your loved one to rest, may you can find comfort from your Bibles. Please know that GOD is a stronghold in the time of your distress. Nahum 1:7.
