“ Dear Shelly, DeVon, India, & Karen's Many Loved Ones,

I would like to extend my deepest sympathy to you during this most difficult time. There are no words to describe the pain of losing a loved one especially a mother. I'm certain Karen's fun spirit will be sorely missed. I pray that the good times you and the grandchildren created with Karen will comfort your grieving hearts long after the services.

Please remember, "For his anger endureth but a moment; in his favour is life: weeping may endure for a night, but joy cometh in the morning." 🙏

Our deepest condolences,

Carmen Bettis & Family
