“ I remember Teenie as a fun-loving and devoted friend. Teenie, Rosi and I were the best of friends in our pre and early teen years. Teenie and Rosi were the closest sisters I have ever met! You didn't see one without the other. We had so much fun together. Teenie was the daring funny one of us three. She loved music. I remember she once had a crush on this guy and whenever a particular song came on she would stop whatever she was doing, close her eyes and start singing like they were face-to-face 😊 She and Rosi would always ask me to spend the night like every other Friday. My parents would always say 'yes'. One particular Friday my parents hadn't gotten home from work yet (before cell phones lol) and since they always said yes I decided to leave them a note. Boy was that a wrong move! I was punished for 2 weeks. I never did that again. I was at their house so often I felt like I was part of or one of the siblings of the Edmonds family (Ms. Margaret was so sweet and soft spoken, Sister, Charles and Lena (and Michael)). I have so many happy memories of them both. Sing on Teenie!!

“ *My aunt Teenie loved, loved children. She was the aunt who had the snacks, sugary kool-aid punch.*

Aunt Teenie, my late Aunt Rosi, Aunt Lena and my Mom would throw us the Supa Dupa Halloween parties, we had great costumes.

One thing about Teenie, she could roll her eyes 🙄LOL 😊

Love you Aunt Teenie ❤️💜 I will miss you.

“ *Memories of the way you smiled and laughed will always be visual in my mind. The music from Teddy Pendergrass when heard, will warm my heart and remind me of you forever.*
