“ God saw your mother getting tired, then came the pain. God couldn't let his daughter Kathy with that loving, caring spirit go through suffering and pain. So God put his arms around her and whispered in her ear, " Come to me." A golden heart stopped beating hard working hands at rest. God broke our hearts to prove to us He only takes the best."

*"Be grateful for every second of everyday that you get to spend with the people you LOVE. Life is so very precious, take time to show them how much you love them and care!"*
