“ There is no doubt about it, my Katie was so special to me. I have fond memories of my childhood with my Aunt Katie, Audrey and Lucretia. My brother and I would walk to visit them and she would meet us on the other side of Alabama Avenue. She would actually walk onto Alabama Avenue and stop the traffic so that we could cross the street safely. We would play with Audrey and Lucretia all day until we worried Aunt Katie to death. Then she would whoop our butts and take us back to Alabama Avenue, stop the traffic and send us back to our grandmother's house and we would be right back the next day. Lord please bless this family with strength and courage and may Aunt Katie rest in peace. Love Skip and family.

“ Audrey, Lucretia and Family:  
My deepest sympathy to you all. So sorry for your loss.  
Memories of Katie: Her laugh was infectious and her smile was bright. I remember Katie just as the beautiful picture you have displayed above. I remember and loved our family gathering at her sister Blurette's house for the annual (traditional) summer cookouts and the opening of Christmas gifts on Christmas night...another traditional gathering at Blurette's house. It was a joy to see such a loving family all together for these special occasions. I will always remember Aunt Katie.

“ Katie will be truly missed! I fondly remember her when growing up as being a strict, but fair disciplinarian! Katie kept the cleanest house I've ever known and she raised her daughters to be true ladies! Even Christmas gifts were opened with dignity - no wrappings all over the place! Wasn't no acting up in Katie's house; u behaved or you got out! This is what we need today - some Katie-discipline! Rest In Peace mama Katie; you will be missed by all who knew you!

Love, Valerie
