Hi , It is indeed sad to hear about the loss of your son . My fundess memories of Keaton , was whe . When I visited your home in the U.S.A. HE SAID to me if I want to the mall , I said yes. Then he said it's just down the road so we got dress and head for the mall. He then said let's take the bus.we where there waiting for the bus. All the buses pass none to stop. Then I said Keaton how comes none of these buses are stopping for us , then I relished he has never taken a bus so he would not know bus stop we should be at.we just had to go back home. He wa4s a good entertainer. He will be sadly misty
