

MS KELLIE LYNN CAMPBELL

August 28, 1970 - June 20, 2022

Kellie Lynn Campbell was born on August 28, 1970 to James E Campbell, Jr and Eva O Campbell in Washington, DC. She was the youngest of two siblings.

Having graduated from Eleanor Roosevelt High School in Greenbelt, MD, Kellie sought knowledge by obtaining a Bachelor of Science in Chemistry at Howard University in May 1992. Later, Kellie went on to obtain a Masters of Business Administration from John Hopkins University in May 2005. Later, Kellie entered law school at the American University in Washington, DC.

Kellie developed many friendships while working at the Food & Drug Administration, the Prince George's County Police Department, Alpharma, US Pharmacopeia and the US Patent & Trademark Office. Kellie departed this life and gained her wings on Monday, June 20, 2022 after a long illness. She is preceded in death by her father, James E Campbell, Jr. Kellie leaves to mourn her passing and cherish her precious memories: Eva O Campbell

(mother); her sister, Camie Thompson (Kenneth Parker); a nephew, Stephen Thompson; a niece, Samantha Thompson and a host of cousins, aunts,

uncles and friends.

“ *Kellie was someone that until recently I did not know had passed away. She as so many have said was someone who was so full of vitality, so full of life, so giving, so caring, so intelligent, so beautiful both on the inside and out, and the world will miss someone of her character, because there could never be another woman, person, or human being like her. A resilient fighter, who never gave up on herself and someone that let you know about the value of life and that everyday was worth living because you were not guaranteed tomorrow, along with dealing with the truth, even if it cost you a lot, she never wavered from being one of the best people I have met in my life and I know she fought the best fight to cling to this realm. May you rest always in peace and Thank You for touching my heart the way you did. Mark*

“ Kellie, I am thinking of you and remember you who was so true to me. I am very thankful and grateful for the nice time we spent together. It was short but sweet.

Kellie, hardship in life brought us together and became true friends. Thanks for sharing "true" advice with me. I enjoyed your cheerful attitude, joyful spirit, courageous, and lovely smile.

Kellie, my true friend, I love you. I miss you. I wish you peace and love. RIP.

“ While studying at Iowa State, Kellie made it her personal mission to bring style and some fashion sense to a couple of country bumpkins from Wisconsin - me and my brother. While even Kellie had to admit we were helpless, we became good friends and enjoyed the futility of the effort together. She never forgot we are fellow Virgo's shared her wit and sense of humor willingly. I think God for the time we got to spend together.
