“ Kenneth (Tony) Donaldson was a close co/worker (of 7 years at Backus Junior High, and truly someone I considered to be a friend. He loved working with our students with disabilities in the Distrivtof Columbia Public Schools and they loved him. He was such a dedicated, reliable supportive and fun and person to work with...All of us on the special education team and the students we served at Backus have such fond memories of Mr. Donaldson. Those who knew Tony knew of his love of family. He always spoke with sadness be of his father who passed away when he was only 10....Just hearing him speak of his family, everyone knew he had a most progressivel upbringing. I would be remiss to not mention his dedication and love of basketball and coaching youth in DC schools and community. I and my family are so saddened to hear of his passing. Mr. Donaldson was a man with a good heart and always tried to give his best. He was a friend to me. While I am greatly saddened by his passing, I celebrate his life and dedicated service to our youth in Washington, DC. My prayers are with Mr Donsldson"s family, that Giod will bless them and strengthen them through these difficult times.. Rest in peace my friend... them through
