AJ

I still cannot believe you're gone . Nothing has been the same since the day you took your last breath. I know things have not been the same since things started to change in your life but through it all you would smile and greet people with how y'all doing ? When asked back you would say I'm alright . Kenny was a kind and giving person, I Love him(you) and miss him(you) very much ! Love your fiend Ann Jefferson
💋💕
