*Kerniece.....this still unbelievable and I am really trying to wrap my mind around the RIP part. I had not seen you for a couple of years but God knows hearing about your passing was not how I imagined reconnecting with you. My most memorable moment of you is when you were living with me and showed me how to make brown stewed chicken, it was some kind of good and you taught me how to eat lettuce with just salt and pepper "who needs salad dressing right LOL". Well baby girl you are now resting in in the bosom of our Lord and savior, where you are safe, free spirited and no longer suffering. Rest easy and sleep well baby.*
