

Mr. Kevin Sample

January 11, 1958 - February 19, 2026

We are heartbroken to share the passing of our beloved Kevin Sample, who departed this life on February 19, 2026, at the age of 68.

Born on January 11, 1958, on the beautiful shores of Chincoteague Island, Virginia, Kevin carried with him throughout his life the warmth, strength, and steady spirit of his hometown. He was a devoted public servant and a cherished member of our family whose kindness, integrity, and unwavering commitment to others left a lasting impact on all who knew him.

Kevin's life was defined by service, love, and quiet strength. He gave generously of himself - to his community, to his work, and most importantly, to his family and friends. His presence brought comfort, wisdom, and joy, and his legacy will continue to live on in the many lives he touched.

Family and friends are invited to honor and celebrate Kevin's life at Brighter Day Ministries, 421 Alabama Ave SE Washington, DC 20032, on March 6, 2026. The wake will begin at 10:00 a.m., followed by the funeral service at 11:00 a.m.

Following the service, Kevin will be laid to rest at Fort Lincoln Cemetery, 3401 Bladensburg Road, Brentwood, Maryland 20722.

We invite all who knew and loved Kevin to join us in remembering a life well lived and a man deeply loved. Though our hearts are heavy, we find comfort in coming together to celebrate the remarkable legacy he leaves behind.

“ Kevin and I shared childhood memories living in Washington’s DC. He was a wonderful friend to all in the neighborhood, playing dodgeball, hide and seek and chasing the ice cream truck. ❤️

“ My reflection to share from his service today.

Kevin was part of a really special season in my life. When I was pregnant with Sydney, I remember him walking with me during his lunch breaks or in the evenings as I prepared to bring her into the world. Some days I didn’t want to walk. He said, well, we haven’t seen a 28 inch waistline since high school, now we both have a goal. When she finally arrived, he was her very first visitor. He held her for just a moment and said, ‘My Godchild is blessed.’

Our last time visiting him in person was on Christmas Day. It was a full circle moment watching him spend time with his goddaughter in the very place he first held her. I personally enjoyed listening to them talk about Sydney visiting Sydney Australia. That moment means even more now. Kevin will truly be missed, and his presence in our lives will always be remembered.

Some people pass through our lives and others leave a mark on our hearts. Kevin was definitely one of those people.

We love you deep, The Dunbar, Bell, and Williams family.

“ *To Mother Sample and the entire Sample family, my prayers and condolences are with you as you celebrate the life and legacy of Kevin who is no longer with us in the flesh. Kevin served His Lord and others with humility. He will be missed. I'm reminded of the song that says "may the works I've done speak for me" ... Kevin's work and humanitarian care indeed spoke as a witness to one who gave of his time and resources. Rest well my brother.*

“ Dearest Mrs. Sample and family, I extend my deepest sympathies on Kevin's passing. I have nothing but fond memories of Kevin and of his deep and long lasting friendship with my parents. He leaves a legacy of love, friendship, decency, and humor that I will always remember. There are no words that can relieve the grief of his absence from us in the physical realm, but I hope that you all find peace in knowing that he now rests from his labors in the loving arms of Jesus. We will see him again. Until then, I pray that God dispatches His Holy Comforter to be with you in the days to come. Love you all.
