“ I will miss LaVerne very much as she was a quiet gift of inspiration to me and others in our support group most Monday nights. She was very calm in talking about her health situation and many times I wished I had her calmness and positive outlook. She talked many times of her daughter's endeavors and I could see that she loved her daughter very much. I will miss her sincere nature and hope she is resting in peace. My heart goes out to all of her family and friends. Such a very nice person

“ I will surely miss my sister. She would always say "I'm good," She could say that because she knew Jesus and knew that things would always be alright in the bosom of God. What a comforting place to be. Love you sis
